Flightscope Fitting	\$80	N/A
Flightscope Club Analysis	\$50	\$35

*Flightscope Combine* – an advanced combine and skill assessment, designed to test a golfer over distances ranging from 20 yard chip shots to 260 yard drives. The combines are customizable for assessing players of all abilities.

*Flightscope Practice Session*- set goals, create targets and challenges to aid game improvement.

*Flightscope Fitting*- a comprehensive fitting combining the Flightscope and Nike Performance Fit Bag.

*Flightscope Club Analysis*- find out how far you hit each club, yardage gapping and more.
